UNIVERSITY OF NEW HAMPSHIRE
LIBRARY

Dear Residents:

Town meeting always seems to be a time of reflection of the accomplishments during the past year and the goals yet to be achieved for the coming year.

—At last March's Town Meeting, Auburn voted in an interim growth regulation. The Planning Board followed through by brining the Capital Improvement Plan and the Master Plan up to date. The Selectmen urge your support of the new zoning regulations prepared by the Planning Board and to be voted in on Election Day.

—Wilsons Crossing Road from Route 121 to Pingree Hill Road is the first segment scheduled to be redone in the implementation of a new Capital Improvement Plan road project.

—The Selectmen have contracted with the appraisal firm of United Appraisal Co. of Hartford, Connecticut to conduct an appraisal of all property in Town.

—Last fall the Auburn Industrial Authority was formulated and is currently searching for a developer for the Rifle Range.

—The Selectmen's Office is extremely pleased with the Auburn newsletter. It has been a successful way for all groups to keep townspeople informed of events in the community.

—Work has begun on the new recreation facilities off Route 28 By-pass and, hopefully, will be partically open this summer.

—The Selectmen look forward to improved fire protection with a new firehouse.

Auburn has been fortunate to have individuals who have committed a great deal of time and effort into making the governmental process work. You are an important part of this process and can show your support by voting on Tuesday, March 11, 1986, at the Auburn Village School (polls open from 10:00 to 7:00) and by attending Town Meeting at the School on Saturday, March 14, starting at 2:00 p.m.

Town Warrant
State of New Hampshire
Rockingham, S.S.

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in said Auburn on Tuesday, March the eleventh of next, at ten of the clock in the forenoon, to act upon the following subjects:

First. To bring your ballots for:
Moderator for two years
One Selectman for three years
Tax Collector for one year
Treasurer for one year
Library Trustee for one year
Cemetary Trustee (Auburn Village) for three years
Cemetary Trustee (Longmeadow Cemetary) for three years
Supervisor of the Checklist for six years
Auditor for two years
Police Commissioner for three years
Trust Fund Trustee for three years

Second. Are you in favor of adopting Article Two? To see if the Town will vote to adopt the Zoning Ordinance and Zoning Map as proposed by the Planning Board. (The adoption of the above will repeal the present Zoning Ordinance and Zoning Map and replace them with the above.) (The full text of the proposed Ordinance and proposed Map are posted and available for inspection at the Town Hall.) (Recommended by the Planning Board)

Polls will be open at 10:00 A.M. and close at 7:00 p.m.

You are also notified to meet on Saturday, March the fifteenth next, at the Auburn Village School to consider the following articles:

Third: To see if the Town will vote to raise and appropriate the sum of $350,000 for the purpose of building a Fire House at Wilson Crossing and Pingree Hill Road (Tax Map 5, Lot 12-6); such sum to be raised by the issuance of promissary notes not to exceed $350,000 under the compliance with the provisions of the Municipal Finance Act, N.H.R.S.A. 33:1 et seq., as amended, and to authorize the Selectmen to issue and negotiate such notes and determine the rate of interest thereon and to take such action as may be necessary to effect the issuance, negotiation, sale and delivery of such notes as shall be in the best interest of the Town of Auburn, except that the term of such notes shall not exceed three years, and to allow the Selectmen to expend such monies for the above stated purpose and to pass any vote relating thereto. (First installment of $100,000 included in the Budget.) (Recommended by the Budget Committee)

Fourth: To see if the Town will vote to accept such Trust funds as may come in during the year and Trust Funds as have not been previously accepted.

Fifth: To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

Sixth: To see if the Town will vote to authorize the Selectmen to accept gifts, in the name of and in behalf of the Town, for the use of the Town as may now or hereafter be forthcoming.

Seventh: To see if the Town will vote to incur debt for temporary loans in anticipation of taxes.

Eighth: To see if the Town will vote to authorize the Selectmen to dispose of any/or all property acquired by tax deed, by public auction or sealed bid, with the right to reject all bids.

Ninth: To see if the Town will authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, Local, or private agencies.

Tenth: To see if the Town will vote to authorize the Selectmen to issue abatements from the timber yield tax provided for by N.H.R.S.A. Chapter 79 in cases where a landowner in the Town has cut or has caused to be cut growing wood and timber in consultation with and upon the advice of a professional forestor, such abatements not to exceed ten (10%) percent of the yield tax imposed upon the landowners.

Eleventh: To see if the Town will vote to authorize the Selectmen to convey to Andrew A. Bradley and Elaine C. Bradley the land on Sun Valley Road known as Lot No. 61, Section 2 (Tax Map 18, Lot 22), which land was acquired by theTown by a Tax Collector's deed dated May 10, 1983, because the said Andrew A. Bradley and Elaine C. Bradley, through misfortune, constructed their home on Lot No. 61 when they in fact intended to construct their home on the adjacent lot which they owned, Lot No. 60 (Tax Mape 18, Lot 21); said conveyance to be by private sale at a price to be determined by the Selectmen and to be conditional upon the merging of the two lots into one lot for purposes of the Auburn Zoning Ordinance.

Twelfth: To see if the voters will instruct the Board of Selectmen to collect property taxes on a semi-annual basis as provided for the RSA 76:15a-b.

(Originally submitted to the Board of Selectmen within the time limit but only nine qualified registered voters signed it.)

Signers of the original petition; Hubert J. Topliff, Jacqueline A. Lawrence, Bruce Phillips, Richard Wardwell, Martin Sullivan, Joe Stacy, Robert J. Royer*, Ken Butler, Janice Griffin, Kathryn Topliff - *denotes not a registered voter.

Thirteenth: To see if the Town will vote to discontinue and make subject to gates and bars the highway as described as follows: Nutt Road from Wilson Crossing Road to Steam Mill Road, also know as Auburn Derry Berry Road.

Fourteenth: To see if the Town will vote to authorize the withdrawal of $32,522, or such lesser amount as may be available to the Town if estimated entitlements are reduced, from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against budgeted appropriations to be raised by taxes for the purchase of a loader at the Town Incinerator and to take any other action hereon. (Amount included in the Budget.) (Recommended by the Budget Comittee.)

Fifteenth: To see if the Town will adopt the following ordinance:
REGULATION OF ALCOHOL ON CERTAIN PROPERTY
PROHIBITION: No person shall possess or consume any alcoholic beverages in the Town of Auburn on land belonging to the Town of Auburn or to the Manchester Water Works unless consent has been obtained in advance in writing from the Board of Selectmen with respect to Town land and from the Board of Water Commissioners with respect to Manchester Works land.

PENALTY: Any person who violates any provision of this regulation shall be subject to a fine of not more than $100 and not less than $50 for each separate offense.

Sixteenth: To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

Seventeenth: To transact any other business that may legally come before the meeting.

Given under our hands and seals this twenty-fourth day of February A.D. 1986.

The Selectmen of
the Town of Auburn
Brenda M. Beer, Chairman
Daniel J. Carpenter
Eugene A. Thomas

Article 10-We, the undersigned, being legal voters of the Town of Auburn, N.H., do hereby petition the Board of Selectman to place the following on the Warrant for the 1985 annual meeting:

To see if the Town will vote to pass the following proposed Ordinance prohibiting any member of Town Government, whether elected or appointed, from continuing in office if he or she encounters a conflict of interest.

Conflict of Interest

I.Purpose:
The elected and appointed officials of the Town of Auburn are charged with the responsibility of insuring and maintaining the well being of all town residents and land owners. These officials can only function properly when they hold the publics trust, confidence and support. However, that trust, confidence and support can't be maintained where there is a conflict of interest between the public officials duties and responsibilities and his or her private interest or well being. The appearance of such conflict is as detrimental as an actual conflict itself.

II. Definitions:
A. Public officials: Any person, whether elected or appointed, who holds any position, on any town board, or department or agency, and any person employed by the town or any of its boards, departments or agencies.
B. Conflict of interest: Any occasion or situation which arises or comes before any public official which may, in any way, affect the personal interest, for good or ill, either directly or indirectly, of such public official.
C. Limited Conflict of Interest: Any occasion or situation where a conflict of interest may arise, but which will be resolved at the town level within 90 days and/or by no more than three meetings or votes of the board, agency or department.
D. Substantial Conflict of Interest: Any occasion or situation where a conflict of interest may arise, but which cannot be resolved at the town level within 90 days and/or by no more than three meetings or votes of the board, agency or department.
E. Owner: Any person who shall have control of, or substanial rights or interest in, as sole owner, partner, limited partner, shareholder or as officer or director. Control of, or substantial rights or interest in a business shall mean a 5% or greater interest or share of any business.
F. Payment: Receipt by an employee of money, service, debt instrument, shares, etc., or promises to receive such items.

III. Acts Prohibited:

A. No public official shall participate in any vote or decision making process in his or her official capacity where a conflict of interest exists or may exist.

B. No public official shall attempt to influence any situation where he or she shall be involved in a conflict of interest.

C. No public official shall deal with any town board, department, committee or subcommittee as an owner, officer, agent, sub-contractor, salesman, employee, or representative of any business seeking to provide any goods or services to the town.

D. No public official shall in any way be involved in, or profit from any project, subdivision, or development within the Town of Auburn during the term of his or her office or for a period of three years thereafter, which shall impact upon or affect the services provided by the Town of Auburn to its citizens.

E. No public official shall bid on, purchase, or take any land or other asset of the town which the town may choose to dispose of.

F. No public official shall become involved in, or in any way profit from any project, development, contract or agreement entered into by the town while such public offical was in office. nor may such while such public official was in office. Nor may such public official become involved, in, or in any way profit from, any such project development, contract or agreement after leaving office, if any such public official was involved in the evaluation, planning or in any other manner, with such project, development, contract or agreement during his or her term of office.

IV Disclosure:

A. All public officials shall be required to disclose to the citizens of Auburn, any and all business, financial, or real estate interests within the Town of Auburn.

B. All disclosures will be made in writing and under oath and shall be filed with the town clerk.

C. All disclosures shall be considered to be public records open to review by the general public at all reasonable times.

D. Any such disclosure shall be updated at least yearly on the anniversary of the public officials election and any time the public official becomes aware of any potential conflict of interest.

V Action Where Conflict Exists:

Whenever a conflict is discovered the affected official shall disclose such conflict immediately to his or her superior or other board members. As soon as is practicable after such disclosure, a public hearing shall be held on the issue to determine whether the conflict is a limited or substantial conflict. If after hearing the conflict is determined to be a limited one, the affected official shall not fulfill his or her position until the conflict is resolved. If the conflict reasonable appears to be a substantial one, or if the conflict continues beyond 90 days and/or three meetings or votes on the subject causing the conflict, the affected official shall be asked to resign and a replacement named or elected as appropriate. Where the conflict, such official shall be removed from office regardless of the length of the conflict, after notice and full opportunity to be heard at a public hearing.

VI. Effective Date:

This ordinance shall take effect immediately after its adoption at the town meeting and shall affect all officials elected or appointed at or after said meeting. All officals whose terms began prior to the adoption of the Ordinance shall be exempt from its provisions for a period not to exceed one year.
meeting. All officials whose terms began prior to the adoption of the Ordinance whall be exempt from its provisions for a period not to exceed one year.

Griffin Free Public Library and Museum

As we reported last year, negotiations were started with Mr. and Mrs. Robert Holmes to purchase land around the Library. Thanks to the concentrated efforts of Mrs. Brenda Beer, these negotiations are now bearing fruit. On February 12, 1986, the Planning Board approved the lot line adjustment, and soon we will be making final arrangements for the purchase of the land.

We will soon be thinking about making alterations to the Library. We as Trustees will be open to suggestions as to how best this can be accomplished.

Some time ago, a citizen of Auburn donated a commode to the Library for the use of any Auburn citizen. Any resident of Auburn who might be in need of such an item during an illness, may contact any one the the Trustees.

Auburn School District Warrant
State of New Hampshire
March 14, 1986

To the inhabitants of the School District, in the Town of Auburn, New Hampshire, qualified to vote in district affairs.

You are hereby notified to meet at the Auburn Village School in said District on the 14th day of March, 1986, at eight o'clock in the evening to act upon the following subject:

1. To hear the report of agents, auditors and committees or officer chosen and pass any vote relating thereto.
2. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1986/87 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further that the School Board hold a public hearing prior to accepting and spending such funds.
3. To see if the School District will vote to raise and approrpriate the sum of Ninety Nine Thousand Seven Hundred Eighty Two Dollars ($99,782) to fund the cost items related to an increase in teacher's salaries and benefits attributable to the latest Collective Bargaining Agreement entered into by the Auburn School Board and the Auburn Education Association for the fiscal year 1986/87, such sum of money representing the additional costs attributable to the increase in salaries and benefits over those obligations payable in the prior year Collective Bargaining Agreement. (This is the first year of a two year contract.) (This sum of money is included in the 1986/87 budget.)
4. To see what sum of money the District will vote to raise and appropriate for the support of schools for, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of obligations of the District.

Given under our hands and seal at said Auburn, New Hampshire.

Superintendent's Report

At their meeting in April 1985 the SAU #15 Board approved the following objectives for the 1985/86 school year:

a) To extract from the extensive classified employees' handbook written primarily for all principals and supervisors in SAU #15, and to write a mini handbook for classified employees
b) To develop a guide which would detail procedures to be followed in the recruitment and employment of teachers in SAU #15
c) To complement the Annual School District Meeting Guide by working jn conjunction with the State Department of Education, the New Hampshire School Administrators Association, and the New Hampshire Association of Educational Secretaries to complete the revisioin of the Annual School District Meeting Handbook for the State of New Hampshire
d) To develop a revised budget format for use on an SAU
d) #15 wide level.

Due to Raymond's withdrawal from SAU #15 effective July 1, 1986, the operation of SAU #15 is going through a transitional phase, which will cover a two year period (1985/86) and (1986/87). The Board has already set in place the finalization of the objectives as previously mentioned to be completed this year.

Educational improvements deserving recognition this past year were:

— Funding for ECIA Chapter I services is provided in an effort to improve the reading and mathematics skills of children from grades 2-6. The Chapter I teacher/coordinator offers a one to one tutorial approach to instruction for those students involved.

— In an effort to appropriately provide for the education of six year old children who are developmentally young, a new Readiness Program has been developed. Children who have need of additional time to mature are no longer over placed into the traditional first grade classroom.

The following important maintenance improvements completed during the pasr year need to be cited:

— New fluorescent lights, insulated ceilings, floor tile, and carpeting were installed in the corridor and in a number of classrooms in the primary wing.

— The eight old uninsulated colonial windows on the front of the school were replaced with new insulated windows of colonial design.

— The complete school was rewired for its fire alarm system. Smoke and heat detectors were installed, and the complete system has been connected to the Derry Fire Department for round-the-clock supervision.

This year we find the most important need is to upgrade teachers' salaries for the forthcoming school year. It is my hope that the district will look favorably upon the voting of the collective bargaining article which is for a two year period to bring the salaries in line with the surrounding communities.

I wish to thank the Auburn School Board members, citizens of the district, Principal Ray Bourque, and all school staff members for their ongoing support throughout the past school year.

Respectfully submitted,

David R. Cawley
Superintendent of Schools

Audit Report

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Auburn School District as of and for the year ended June 30, 1985, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted government auditing standards and, acordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As describe in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Auburn School District at June 30, 1985 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining, individual fund and account group financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Auburn School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is stated fairly in all materials respects in relation to the combined financial statements taken as a whole.

Principal's Report

The school population on September 4, 1984, was 415 and when school closed in June, it was 431.

During the past school year the faculty worked on two major curriculum areas. A new science curriculum was implemented in grades 1-6 and an adjusted program was recommended for grades 7 & 8.

The Curriculum Committee completed their assessment of the new curriculum demands being made at the high school level with Bill Ewert, Science Coordinator from the State Department of Education, in May and made their final recommendations for the seventh and eighth grade science curriculum. This new curriculum will be implemented at the beginning of the 1985/86 school year and it will provide Auburn students with the appropriate science background high school.

The second curriculum change was in the language arts area. For the first time we have implemented a complete language arts program in grades 1-8. This type of coordination is expensive, but insures parents and teachers that there is a continuous curriculum for students that introduces and reinforces appropriate skill development.

The major curriculum area to be reviewed during 1985/86 will be reading. A Reading Curriculum review committee has been established. Mary Ellen O'Brien, the Reading Specialist, will chair the committee.

There were two major building projects completed during the past year. The ceilings in the primary classrooms and hallway area were lowered, and insulation was installed above the ceilings. New lighting fixtures were also installed in these areas. When this project was completed, new tile and carpeting was installed in the primary area to complete the two-year renovation project. The teachers organized the annual Spring Carnival for the PTA and donated the $1,600.00 profit so that the floor project could be completed.

Auburn is in a growth state and this growth will have a dramatic impact on the educational system. I ask that you become actively involved in supporting the development of your educational system so that we can continue to provide quality education to the students in Auburn.

The school PTA is active and hard at work. They have established a Cultural Arts Committee who will be responsible for recommending and funding specific programs for the 1985/86 school year. The PTA has also established a Special Projects Fund that will provide minigrants that teachers can apply for in order to provide additional educational programs for their students. The PTA presented me their award, "Advocates for Children", that was given to them at the State Convention from the National Congress of Parents and Teachers for their support of children. This award was presented to Auburn for their nomination as one of the eight best units in the region. I would like to congratulate the PTA for being nominated at the national level for the work they have accomplished during the past few years and hope that the pride they have taken in the local PTA will continue to have a positive impact on the school.

Graduation exercises were held on June 14, 1985. Fifty-six students received diplomas. The guest speaker was Mary Pillsbury Brown, Director of Vocational Education for the State of New Hampshire. Honor speakers were Gerald Lesmerises, Jennifer Phillips, and Jennifer Komaridis. Robert Lewis, Trustee of the Citizen Scholarship Fund of Auburn, made the presentation of the fourth annual Millie Preston Scholarship Award to Diane Doyon who is pursuing a medical career at Hofstra University in Hampstead, New York. A second award was presented to George Gibby who is pursuing an engineering degree at Northeastern University in Boston, Massachusetts.

In all, it has been a year of changes, adjustments and progress. The changes we have taken in stride, thanks mainly to the cooperation and understanding of students, teachers, and parents. The adjustments have been well made by all of us, thanks again to the cooperation of all parties. With the assistance of the School Board and the Superintendent of Schools, progress has taken place in many aspects of school life as we uniformly continue to grow, to expand, and to work for our ultimate goal of quality educational opportunities for the children of Auburn.

Auburn School Board Report

This past year we have seen many dramatic changes both the school and in the town of Auburn. A substantial increase in the school population has placed our present facility at its maximum capacity.

As a result of this growth and anticipated growth, the Schqol Board has formed a Future Programs/Building Committee. This committee consists of the three Board members, three teachers, and three residents of Auburn.

The committee has been charged with the following responsibilities:

a) determine what programs should be retained
b) determine what programs should be expanded
c) determine which programs should be implemented in the near or distant future.

Once the committee has made these decisions, the next order of business is to design (with the help of an architect) an addition to the present facility which will accommodate our prograo ming needs.

Aside from our unpresidented growth both now and in the future, there are other considerations for the committee to deal with.

a) The State Board of Education has almost finished its new Elementary Education Standards. Most certainly these standards will call for expanded and additional programs and/or staff.
b) Pinkerton Academy has closed its doors to any new Auburn students. The Manchester schools are our only viable option for secondary education.

As a result of the above conditions, the committee has an excellent chance to:

a) recommend the upgrading and enhancing of Auburn Educational Programs.
b) Provide a Long-Range Education Plan which might include our own High School in the future.

The committee thanks the residents of Auburn for their support and hopes that through your imput, we can continue to have a school system we are truly proud of!

Most sincerely,

J. Herbert Tardiff
Chairman

Measles - 0	Mononucleosis - 1
Impetigo - 5	Scabies - 3

Immunization clinic is held every other month in the Nurse's office from 9:00 - 10 A.M. - August, October, December.

Athletic Physicals - 52

Conferences with Parents - 51 School Personnel - 31
Home Visits - 17

Fluoride Mouth Rinse Program - 4th through 6th grade. Two Dental Hygienists from the Bureau of Dental Health checked the children's teeth 3 times during the year. They noticed a great improvement in the children's teeth.

C. Kilan Dental Hygienist cleansed and applied fluoride to 76 children.

Two nurses from Parkland Medical Center presented a program to Readiness and Grade 1 on what to expect if ever admitted to the hospital. This program was well received.

Dental Health Week was observed in school. Dr. Bolduc presented a film, demonstration, and question/answer period for grades Readiness through 6th.

Elliot Hospital Latchkey Program was presented Readiness through 6th grades by Dorothy Rogers. Each child received a booklet for parents to work on with their children individually. Diplomas for the children were presented when all questions were answered positively. This was very well presented and hopefully we will be able to present it to the new 1st graders next year.

Pre-school Registration was held April 9, 10 and 11 with 45 children being tested.

A film was presented to grades 1-3 on "NOW I Can Tell You My Secret". This filmstrip is designed to alert children to the existence of child sexual abuse and to help them learn how to deal with such situations.

Workshops that I attended in 1984/85:
The Second Annual School Nurse Institute at St. Anselm's
Immunology Update at St. Anselm's
Nutrition concern faced by Educators of Students at St Anselm's
Back to Basics at N H S N A
Health related Fitness Test Workshop - N.H D.H S
Feed Your Body, Feed Your Mind - N H.D E.

I wish to thank the Principal, Teachers and families of Auburn for their cooperation Also, the Lions and Lionesses for their help in buying glasses and supporting my dental program.

Sincerely,
Marion Heald

Zoning Board of Adjustment

The Zoning Board of Adjustment meets on demand at the Town Hall. Requests for a hearing are made to the Zoning Officer, Mr. F. Russell Sullivan. During 1985 the Board held 22 hearings, 8 being for Special Exception, and 14 for Variances. The hearings are open to the public, are posted and advertised in the Manchester Union Leader. Minutes of the meetings are posted at the Town Hall for public review.

I wish to express my appreciation to the Board members and alternates for the time and effort expended in the Town's benefit.

Respectfully,
Irving Lunnie
Chairman

Report of the Southern New Hampshire Planning Commission

A wide variety of services, resources and technical assistance is made available to your town through the dues-paying membership in the Southern New Hampshire Planning Commission. A professional planning staff, assisted by consultants in certain disciplines for which the Commission does not employ a full-time staff, work under the overall direction of your representatives in developing and carrying cut planning programs that are deemed important for your community as well as for the region.

Staff services provided under the Commission's local assitance program are mostly decided by the communities themselves. However, certain general studies, notifications or acquisition of resources which are deemed useful to all member-municipalities are also made under this program with a directive of the Commission.

Local Assistance services provided to the Town of Auburn during the past year were as follows:

1. Provided staff assistance to Auburn's consultant for updating the town master plan in the review of data and maps of the town;
2. Provided maps to the consultant as requested;
3. At the request of the Board of Selectmen, took a twenty-four hour traffic count for three days near the landfill site;
4. Provided the Selectmen's office with prints of the Auburn composite tax map;
5. Coordinated with the Rockingham County Soil Conservation District in updating the town's new soils map;
6. Developed a low-cost improvement scheme for eleven road intersections that are labeled as high-hazard locations. Improvement schemes have been designed to alleviate safety problems;
7. Purchased the 1981 aerial photos for the town of Auburn from the U.S. Department of Agriculture;
8. Provided the Planning Board and the Board of Selectmen with a suggested schedule for public notices and hearings pertaining to zoning and/or building code amendments, if any, to be considered at the March 1986 annual town meeting; and
9. Co-sponsored the Municipal Law Lecture series to which Auburn officials were invited.

Auburn's Representatives to the Commission are:
Mrs. Brenda M. Beer
Mr. Eugene Thomas
Mr. Donald Marzloff - Alternate

Executive Committee Member: Mr. Eugene Thomas

Metropolitan Manchester Transportation Planning Policy Committee:

Auburn Volunteer Fire Department

The were 209 emergency calls in 1985.

Fire Related	Medical Related
4 Structure fires	42 In-house emergencies
18 Chimney fires	43 Motor vehicle accidents
30 Brush fires	1 Search
11 Vehicle fires	2 Water rescues
14 Appliance fires	2 Assist police
3 Gas leaks	1 Miscellaneous
14 Mutual aid calls	91
16 Public service calls	
1 Good intent call	
3 False alarms	
4 Industrial accidents	
118	

The number of emergency calls increased 30% in 1985 and underscores the need for a second fire station in town. Plans are currently underway for the new station to be located on Wilson Crossing Road but town citizens must support the funding for the station at the March meeting. The department needs this station to adequately provide the same fire and medical coverage to all residents of Auburn.

During 1985, the fire department sponsored the annual green burn and open house, two dances, Fire Prevention Week, Advanced first aid and CPR classes and participated in Olde Home Days. For its own members and firemen from surrounding towns, Auburn hosted a major seven town drill and several smaller training drills. Auburn also participated indrills put on by other departments. The district smoke trailer was in Auburn all summer and was well used.

The fire personnel continue to attend fire school and medical related classes and training clinics. Auburn is proud that many of its staff are certified firefighters and emergency medical technicians with advanced techniques certifications.

The department continues to update the protective equipment used by the members. The fire department purchased an air compressor and modernized rescue equipment this year. A generator donated by Carl Anderson is now in running condition and will be in service soon. Donations by Phil Brien and Bill Trombly towards a new well lowered the cost of the fire department to $450. The department is grateful for all contributions and donations.

Literature concerning wood stove safe burning operations and tot finder window stickers are available at the fire station. And when reporting an emergency, please stay calm, speak clearly and remain on the telephone until the dispatcher has all the necessary information.

Yours in fire safety,
Martin Sullivan
Chief, AVFD

Auburn Volunteer Fire Department

The Auburn Volunteer Fire Department was established fifty-one years ago in order to protect the lives and property of the residents of Auburn and continues to function toward this goal.The fire and rescue equipment is first rate and the personnel are qualified, dedicated and hard working.

The fire department performs service calls for the public and is responsible for the skating rink. It also offers wood stove clinics and inspections as well as classes in first aid and CPR. The firemen sponsor dances and other activities open to the public throughout the year.

Applications for membership are available at the firehouse and accepted Sunday mornings and meeting nights. The station is open to the public on Sunday mornings.

Regular Fire Meetings: first Monday of each month at 8:00 p.m. at the firehouse.

Rescue Squad Meetings: first Thursday of each month at 7:00 p.m. at the firehouse.

For further information or service other than emergency, please call the fire station business phone - 483-8141.

Report of the Forest Fire Warden

Between July, 1984 and June, 1985, we experienced more forest fires throughout our state than in any year in the past fifty. Two leading causes of the 1,605 fires were children playing with matches and fires kindled without written permission of the Forest Fire Warden. Both causes are preventable. Please help with forest fire prevention.

Enforcement of state timber harvest regulation is the responsibility of the State Forestry Officials. Report suspected violations.

Starting in April, 1986, if you own forest land, you will become responsible for the timber tax payment. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Selectmen for timber tax forms.

The Visiting Nurse Association of Manchester and Southern New Hampshire

Founded in 1897 the Visiting Nurse Association has an 89 year history of providing home health services to the greater Manchester community. The service area includes Auburn, Bedford, Candia, Goffstown, Hooksett, Manchester, Amherst, Milford, Mont Vernon, and other towns by arrangement. VNA is accredited jointly by the National League for Nursing and the American Public Health Association. It carries Medicare and Medicaid certification and receives partial program funding from the Greater Manchester United Way.

VNA Home Health Services provides nursing and aide services 7 days a week and 24 hours a day, with other services and therapies provided on a regular service schedule. These services also include comprehensive care for terminally ill and continue to be the program serving the largest number of residents.

VNA is committed to providing necessary services to people who are financially unable to pay the usual fees. Therefore, fees are explained to our patients at the first visit to the home and adjustments are made on an individual basis.

VNA Community Services continues to provide Immunization Clinics, Adult Health Screening Programs, including Blood Pressure Screening and Foot Care Clinics monthly throughout the community. Other programs include the Occupational Health Services Program and the Parent Child Health Programs which includes the Teenage Pregnancy Program. Walk-in Blood Pressure Screening, health counseling and education are provided Monday - Friday from 1:30 - 4 p.m. at the 194 Concord Street, Manchester office.

Town appropriations, grants, United Way and donations are a vital part of the funds which make these services possible for residents who are unable to pay. The Town of Auburn is represented on the VNA Board of Directors by Mrs. Peggy Wornick.

Sincerely,

Sarah Hubbard
Executive Director

Auburn Volunteer Program

The Auburn School Volunteer Program is currently in its eighth year and has 25 volunteers giving their time and energy improving the quality of education in our school.

Our volunteers are involved in many different tasks such as, helping students in reading groups, making and preparing classroom materials, helping children select and check out books in the library, and typing the school newsletter. The volunteers also help teachers by correcting papers and copying materials, which give the teachers more time to help students. Some volunteers do work in their own homes.

The only requirement to be a volunteer is to have the sincere desire to help and care about our children. No degrees, special education, background or experience is necessary to volunteer.

If this sounds like something that you'd like to be involved in or if you'd just like some more information, please free to call Susan Andrus, Volunteer Coordinator, at 624-0118.

Auburn Village School PTA

The Auburn Village School PTA is a group of parents, teachers, and other interested adults dedicated to promoting quality education for the children of Auburn. Projects sponsored in the past include raising funds for and constructing the school playground, purchasing computers to begin the school's computer program, and raising funds to send the school's state winning OM team to the national competitions, among many others.

The PTA has sponsored numerous community oriented activities as well. The annual Halloween Party and Spring Fair are PTA sponsored events. PTA has held awareness programs for parents in such areas as TV and children, parent effectiveness training, alcohol and drug abuse, among many others.

We are honored to have received the New Hampshire PTA Unit of the Year Award and the National PTA Advocates for Children Award for our efforts in constructing the playground. We are very enthusiastic about our new programs to fund special teacher projects and cultural arts in the school.

The PTA is grateful to all its members who through their hard work and dedication to the children of Auburn have enabled us to reach our goals. We are always pleased to receive new members with their willing hands and new ideas. One need not be a parent of school-aged children to join.

Meetings are held the third Wednesday of each month at 7:30 in the school library. We look forward to seeing you there!

Recreation Committee

The Recreation Committee has been very busy this past year trying to include all ages in some of their programs. Activities ranged from Senior Citizen Trips, Easter Party, Summer Program, Christmas Play, and the Auburn Newsletter.

The Senior Citizens went on two trips in 1985: the first trip in March they traveled to Parker's Maple Barn and Sugar House in Mason and the Green House Cafe. In October they took their second trip to the Octoberfest at Sunapee State Park.

An Easter Party was held in March. Candy and games were in abundance and enjoyed by all at the Auburn Village School.

The summer Program was held during July for children between the grades 1 and 4. Attendance was extremely high. Swimming was added as a weekly activity for the program's participants thanks to the generosity of Bill Cooper, owner of Calef Lake Campground.

The family concert, Rosenshontz, which was scheduled for September 27, 1985, was postponed until March 8, 1986 because of Hurricane Gloria. The concert is being funded by a grant given by the New England Telephone Co. through the N.E. Foundation for the Arts Program.

The Hampstead Players put on "A Christmas Carol" by Charles Dickens in December. This pay was co-sponsored by the Lion's Club and the Recreation Committee.

Sandy Acres Recreation Project is finally under construction, using the 28 acres of land deeded to the town of Auburn by Harold Towne. The driveway, preliminary excavation, and parking area have been completed. The final layout of the recreation area will be determined in the Spring of 1986. Volunteers are needed for the project. Please call the Selectman's Office at 483-5052 if interested in helping.

The Auburn Quarterly newsletter was first published during 1985 to inform the citizens of Auburn about town activities, groups, and special events. Due to Kathy Canedy's perserverance the newsletter provides an open forum for groups within the community.

The Recreation Commissiion "thanks" all those who have helped in the year's varied activities for all ages.

Auburn Mediation Program

In its first year of operation, the Auburn Mediation Program has dealt with twenty four cases. A referral to mediation begins with an interview of both parents and the child. The process is explained and forms are filled out. A participation agreement is signed by all, and in the case of a court referral, the child is asked to sign a court referral waiver. Commitment is a requirement from both parties - with a realization by the parents of their part in the program, and a willingness by them to compromise.

An appointment is set up for the initial mediation session, usually within one week of the interview. This lasts from three to four hours; with a follow-up within a two week period. Regular follow-ups are conducted throughout the time the contract is in effect, which is from three to six months. At the initial sesssion a contract is drawn up between parents and child. Behavior, limitations, and compromise are the basis of the contract, which is in the form of a four copy, NCR-type paper. The participants each retain a signed copy, one is sent to the referring agency, and the last one placed in the child's file in the mediation office. The referring agency is kept informed of the case over the three to six months of the mediation period.

If the case is not suitable for mediation, with evidence of unwillingness to compromise, evidence of abuse and/or neglect, or refusal to participate, the referring agency is notified, and recommendations made.

The program was conceived as a community project from the start. All mediators are volunteers. If you are interested in becoming a volunteer mediator, please contact me at 483-2888 for more information.

I would, once again, like to take the opportunity to express my gratitude to the volunteers of the Auburn Mediation Program. Many hours were spent over the program's first year and the coming year promises to keep us equally as active.

Darlene L. Connor, Coordinator
Auburn Mediation Program

Auburn Lioness Club

The Lionesses meet the first Wednesday of each month at 7:30 p.m. at the Village School.

Our President is Mary Royer; Vice President, Donna Enright; Secretary, Dorothy Emery; and Treasurer, Alice Laliberte. Our membership is twenty-two ladies.

We sponsor the local Girl Scout troop, the Annual Young Authors Contest and donate to the annual Halloween Party, the OM program at the school. We donate to worthy and needed cases in town involving blind and diabetic people. Odyssey House in Hampton is one of our State Lioness Projects.

Every year we give out Sunshine Baskets to the elderly and shut-ins. Each month we put on the Lion's Club Supper. We have raffles and other projects in which we use our profits to support these other projects.

Crutches, walkers, canes, wheel chairs, electric or hand crancked hospital beds, are available to borrow by anyone in need; free of charge!

Snow Disposal Ordinance

Any person found shoveling snow into a town road or plowing snow across the road, so as to impede normal plowing operations, will be subject to a penalty not to exceed $25.00 for each offense.

Burning Regulations

TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Martin Sullivan, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days and damp days, in a safe place and in accordance with the term of the permit. Burn before 9:00 A.M. and after 5:00 P.M. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Parking During Snow Storm

A. From November 1 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 P.M. and 8 A.M. or at any time in such a manner as to impede snow removal operations.
B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.
C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

Dog Ordinance

A. RESTRAINT: All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.
B. PENALTY: Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars ($15.00) for each offense.
